Middle East Women's Leadership Network	The Middle East Women's Leadership Network helps women become world-class leaders by creating media for their mission. Launched in 2013, we gather women for networking, training, mentoring and collaborative purposes. We partner with United Nations, NGO and faith based organizations. We build relationships to leverage our talents and resources. We convene change agents and challenge them to create a practical plan for media engagement. As result of our network gatherings, trainings, mentoring and follow up efforts, several collaborative media projects have emerged for the Middle East and around the worldWe explore important trends, exchange expertise, and encourage innovative media.
